In accordance with the International Law and customs pertinent to restoring of a monarchy, you have been hereby served this notice letting you know that your sovereign's usurped sovereignty of Bosnia proper ceases as of today, with the issuance of the herewith enclosed **Act of Constituting Kingdom of Bosnia**.

Scientific and other evidence demonstrating our family's right to possession of domestic sovereignty of Bosnia proper can be found in the publicly available documentation on the Bosnian Royal Family vortal www.bosnianroyalfamily.org, the e-book "Our Statehood" ("Naša državnost") in particular, as well as in numerous scientific and other references.
